EXPERIENCE

SAVLIFE FOUNDATION | WEB TESTING/SECURITY

Delhi, India | January 2021 – April 2021

- SaveLIFE Foundation is an organization committed to improving road safety and emergency medical care across India. I was working as an intern under the project team to develop the project called "Crash Database System".

COLLEGE DUNIA | CAMPUS AMBASSADOR

Virtual | December 2020 – March 2021

- As a campus ambassador, my role was to engage and increase awareness about the college Dunia in my university.

TECHNICHE BY IIT GUWAHATI | CAMPUS AMBASSADOR

Virtual | Jun 2020 – Sep 2020

- As a campus ambassador, my role was to engage and increase awareness about the fest "Techniche" organized by IIT Guwahati in my university so more students from my university can participate.

SKILLS

PROGRAMMING LANGUAGES	Python, Java, C++, JavaScript
